TO: Each Health Deputy

FROM: John Viernes, Jr., Director   
Alcohol and Drug Program Administration

SUBJECT: **FUNDING AUGMENTATIONS FOR VARIOUS DRUG/MEDI-CAL CONTRACTS**

This is to inform you that we plan to amend the County estimated maximum obligation and corresponding maximum allocation for various Drug/Medi-Cal (DMC) agencies using the delegated authority granted by the Board on June 10, 2008 (Board Agenda Synopsis #31). The agencies' agreements provide flexibility to adjust funding allocations, and contain provisions that authorize the Director of the Department Public Health (DPH) or his designee to make such funding changes.

The four DMC agencies requesting funding changes are Independence Community Treatment Clinic (ICTC), Life Health Services, Inc. (LHS), Singleton Housing Project (SHP), and West Coast Drug and Alcohol Education Program (WCDAEP). ICTC is requesting to increase funding for Outpatient Drug Free Services (ODF). LHS is requesting to increase funding for ODF and Daycare Habilitative Services (DCH). SHP is requesting to increase funding for DCH. WCDAEP is requesting to increase funding for ODF and DCH. The DPH Alcohol and Drug Program Administration has reviewed these agencies' contract utilization and recommends approval of these requests.

These funding increases based on the Sobky v. Smoley court litigation which allowed agencies to request additional funds to cover persons eligible for DMC services. The current and proposed funding amounts are as indicated in Attachment 1 (description of the services affected by this amendment) and Attachment 2 (the agency's current and proposed funding amounts).

If you have any questions or need additional information, please let me know.

## Drug/Medi-Cal Services - Description

### Outpatient Drug Free Services (Federal Drug/Medi-Cal)

Outpatient drug free services include crisis intervention, counseling, and client referral services for people who are Medi-Cal eligible. Clients receive counseling at least twice within each thirty (30) day period.

### Day Care Habilitative Services (Federal Drug/Medi-Cal)

Day care habilitative services are non-residential programs which provide counseling and rehabilitation services to people who are Medi-Cal eligible. Clients participate in scheduled, formalized services three (3) or more hours per day, but less than twenty-four (24) hours, throughout the day at least three (3) times per week. Program services are available for a minimum of six (6) hours per day, six (6) days per week.
